RE: City of Santa Monica Tour Bus Parking Program

Dear Tour Bus Operator:

The City of Santa Monica, Santa Monica Travel & Tourism (SMTT) and Downtown Santa Monica (DTSM), Inc. are pleased to offer an extension of the City's Tour Bus Parking Program.

The City of Santa Monica welcomes Tour Bus Operators to our community and will continue to provide courtesy parking and use of designated active loading and unloading zones within the City to certified pre-approved tour bus operators.

PLEASE NOTE: Bus operators must comply with all parking regulations or are subject to a citation. The designated loading zones are to only be used when actively loading and unloading. Idling and temporary parking are strictly prohibited. Use of any areas outside of the designated loading and unloading zones may result in the termination of your tour bus parking permit.

The Tour Bus Parking Program is a shared venture. Its success will continue to depend, in part, on operator compliance with City regulations and program guidelines.

In order to be eligible to apply for the certification renewal, please submit the following electronically to trade@santamonica.com:

1. Application (attached)
2. Transportation Charter Party (TCP) License
3. At least one Santa Monica sample travel itinerary that includes Santa Monica for a minimum of four hours – **Required for application approval**

Please see the enclosed map and list of parking and bus loading zones for the July 1, 2024- June 30, 2025 program year.

If you have any questions about the program please contact our Business Development Team at SMTT directly at (310) 319-6263, fax (310) 319-6273, and email trade@santamonica.com.

Thank you for your participation in the Tour Bus Parking Program. We look forward to working with you in the future.

Sincerely,

Santa Monica Travel and Tourism
